

THE HONORABLE MICHAEL M. HONDA
MEMBER OF CONGRESS

**Congratulations from Congressman Mike Honda to the
Northern California Chinese Culture-Athletic Foundation
on the Occasion of the 8th Annual
Northern California All Chinese-American Olympics**

August 14, 2010

It gives me great pleasure to welcome everyone to the 8th Annual Northern California All Chinese-American Olympics hosted by the Northern California Chinese Culture-Athletic Federation.

Established in 2003 by a group of Chinese Americans from the San Francisco Bay Area, the Northern California Chinese Culture-Athletic Federation (NCCCAF) is the largest non-profit, non-partisan Chinese sports organization in North America. NCCCAF aims to unite the Chinese community in Northern California through cultural and sports activities. For the past eight years, it has attracted tens of thousands of athletes and spectators to its annual sporting competitions. This year, over 100 teams and 5,000 athletes will compete in track and field, marathons, basketball, baseball, volleyball, soccer, tennis, badminton, swimming, skating, ping-pong, Chinese martial arts, and other activities.

I am pleased to congratulate this year's athletes and the members of the NCCCAF for their dedication to the Chinese American community. I offer my best wishes for today's event.

Sincerely,

Mike Honda
Member of Congress
